Docket No. N2021-2

**NOTICE OF THE UNITED STATES POSTAL SERVICE OF
REVISIONS TO LIBRARY REFERENCES 4 AND NP2 -- ERRATA**
(July 13, 2021)

The United States Postal Service hereby provides notice of a minor revision to the following public and nonpublic Library References:

USPS-LR-N2021-2-4	Model Results
USPS-LR-N2021-2-NP2	Model Input Data and Results

The revision, which is also described in the revised Preface for each Library Reference, corrects an error in the formula that calculates the sums identified in cells E16 and I16 of Excel files '10_3digit_FCPS_Public.xlsx' and '10_3digit_FCPS_Private.xlsx'. The sums identified in these cells have not been relied upon, used, nor are they reflected in any other document, testimony, or library reference previously submitted in this proceeding.

The files being replaced within each Library Reference are also identified in the revised Prefaces (in both instances, not all original files in the Library Reference are being replaced).

The material for theses library references have been uploaded to the applicable Library References folders on USPS SLFT.

The original applications for nonpublic treatment continue to apply to the revised nonpublic folder.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
